

## WHAT IS **SPRING BREAK WORK WEEKEND**?

An opportunity for groups to come and physically serve by helping clean up Tadmor after the winter season.

This is a *work* weekend, and there is no other programming or activities outside of the list of tasks we have to work through.

## WHAT ABOUT THE GOSPEL?

Saturday night there will be some worship and a message on the concept of Service. Outside of that, we encourage leaders to talk with their groups about biblical servanthood.

## WHAT WILL OUR TIME LOOK LIKE?

Structured as an 8-5 workday, there is breakfast in the morning, lunch at midday, and dinner in the evening. After dinner until going to bed, your time is yours to use.

## WHAT TO WEAR

Dress for working outdoors. (All clothing you should be okay with it getting dirty)

Shoes/boots, extra socks, sweatshirt, jacket, shirts, pants

It's hard to predict the weather in Spring, but we don't count on it being sunny & 75

## GROUP REQUIREMENTS

There must be a leader for both genders if present.

1 leader for every 10 students (sleeping arrangement)

Leaders will work alongside students on the different projects.
